

Pirkko Lindberg is Master of Arts in Information Studies from the university of Oulu, Finland. She is working on her thesis in doctoral programme in Information Studies in Oulu.

She works as Library Director in Oulu City Library-Regional Library. Before that she has worked also in Oulu University Library as Administrative Manager. She has long working experience from library field.

Oulu City Library is one of the largest regional libraries in Finland. Pirkko Lindberg is specially interested in developing new library outlines, for example proactive librarianship and organizing collections in a new way.

Pirkko Lindberg is going to speak about Partnerships of Finnish Public Libraries, preliminary findings of a survey.
